Dear Sir/Madam,

**Government Control and OPEC control of Fuel – Notification of My Will
and Submission on Fuel and Energy in Australia.**

I know that it is my duty to keep you informed of my will on anything that comes before Parliament or that should come before Parliament.

IT IS MY WILL that you take immediate and ongoing action to ensure that with respect to any aspects associated with the management and control of fuel and rights to use, that:

1. the rights of the people granted in the Australian Constitution are maintained
2. the Commonwealth or States enact laws with respect to Fuel that are within the powers of Parliament as set out in the Australian Constitution section 51
3. the Commonwealth not accept any control of Fuel rights or management that are currently under the provisions of the OPEC agreement and cartel
4. you determine the will of the people with respect to exempting Fuel excise/taxes and put in place policies and laws that only reflect the will of the people (no Fuel Tax or excise)
5. you terminate the OPEC agreement and control of fuel, to allow Australia to sell its own developed fuel cheaper to all Australians, with out the interference of the OPEC cartel, the rest of the world and fuel parity organisations.
6. you allow your party parliamentary colleagues to be allowed to fulfil their judicially defined legal function and duty in their Houses of Parliament and to speak and vote absolutely freely according to their individual conscience and to reflect the will of the people they represent.

Further it is MY WILL that by prompt return correspondence you:

1. inform me of any proposal in relation to Fuel that is contrary to powers and rights set out by the people; and
2. inform me of the results of your actions to ensure the fuel pricing will be determined by the people and not the Government and OPEC Cartel

I am one of her Majesty's respectful Subjects, God Save the Queen.

Yours faithfully,

Denis Auberson M.I.A.M.E. & Raelene Auberson
