Senate Select  
Committee on the  
Administration of  
Indigenous Affairs  
A. On the Proposed Administration  
of Indigenous Program  
Services by Mainstream Dept's  
& Agencies - in Particular  
II. THE PROVISIONS OF THE "ABERIG-  
INAL" - Amendment Bill 2007.

WHY = ABORIGINAL CULTURE IS  
UNIQUE & NOT CONNECTED  
TO OR RELATED WITH  
TORRES STRAIT-ISLAND  
PEOPLES CULTURE  
∴ therefore "Act" should  
be autonomous  
IN RESPECT AUSTRALIAN INDIGENOUS

② <sup>Peoples,</sup> ABORIGINALS - + Indigenous  
Tories Strait Island Peoples  
Should have independent  
Identities -

WHY =  
Personally I can only speak  
from our Aboriginal  
Traditional Totemic  
Custodian Elders - NOT  
for Torres Strait Islands

N/S Peoples -  
Who I taught them for  
many years in Cairns +  
know they <sup>elders</sup> wish Autonomy  
of Culture, Rituals  
Government for their people  
AS A SPECIAL CASE ALSO -

Aa DNA lobby should be  
Aust. the "identity code for"  
Aboriginal Peoples" as it is  
unique - No other Indigenous

③

Peoples have the same blood groups - (J. Flood 1976)

This lobby Proposal is for very specific Reasons

- Most importantly the Medical-DNA would be there for New-Born children to detect - Diabetes Potentially [A close to the Bone product of NON identity - my 3 yr old grand son being found in a coma from above - Kidney Problems - Heart etc.

- Second but non - The Risk to alleviate the temptation to illegally claim African identity due to Dark colored skin pigment - as has recently been detected in many communities - Profoundly so in the Tweed - Byron Northern Rivers "Ngarakwal Nations"

④ Peoples -  
Abled by specific Neoplatonic  
families who now number  
in the hundreds - as South  
Sea "Islanders" <sup>KANAKS</sup> Islanders  
as Reason of claiming  
Indigenous identity - FOR  
Capital CAN self-indulgent.  
previously using ATsic AS  
the Means - We Elder people  
are welcoming DNA + the  
hope of Managing to use  
our Elder TOTEMIC Custodians  
as Primary Advisers to  
Mainstream Administration  
- in a Federal Round Table  
AT Long Last = (Noel Pearson  
old)  
This would be Meno business  
Elders chosen by the people  
for the People on wisdom  
+ Respect for Country -  
ACT, NT, NSW, VIC, SA, WA, TAS
