

Questions on Notice

Re: Laramba Community

1. How much do you understand as a representative from Laramba Community about who allocates the houses and how many houses are to be built in the community?
2. How are the numbers for CDEP programs in the community decided and what information do you have on that decision?
3. How is the number of aged care beds decided and what do you understand about that process?
4. If you could reset the clock about deciding what's important how would you go about deciding? (e.g. roads, aged care beds etc.)
5. What other ways does the Night Patrol have to deal with people who are playing up, to keep them from courts?
6. What reform could happen to white law to help people like the patrol work better?
7. Can anyone in the community remember being consulted during the ATSIC Inquiry 2003?
8. When was the last time ATSI visited the community to explain any changes?

>

> Question 1. We have no real knowledge as to the process.

2. We do not know the procedure for selecting numbers and we have no information on that process, our CDEP is full and we would like to increase them.

3. We have no knowledge of this procedure.

4. Consultation need to take place at the community with council members and community managers with the relevant Government department's

5. They remove the people from the community till they sober up or decide to behave, meetings are held and issues addressed on a community level all persons being present .

6. Greater liason between the Police Night patrols and court systems to alleviate harsh and unreasonable fines being incurred, liason with council office staff DDE course to be more accessible.

7. Not to our knowledge.

8. Appriximatly 8 months ago.

Yours Sincerly M Monaghan
Community Manager Laramba
