Dear Sir

SUBMISSION TO ENQUIRY INTO LEGAL AID and ACCESS TO JUSTICE

I wish to draw your attention to an error in my submission of 25 September 2003. On page 2 I said that "there is no office of the Legal Aid Commission and no regular duty lawyer services provided."

There is a regular duty lawyer service provided by the Geraldton Community Legal Centre.

Could you please pass on this correction to the members of the Committee, and to publish this erratum to the submission wherever the submission is published, including your website.

I apologise for any inconvenience this may cause.

Yours faithfully
