The Secretary,  
Senate Legal & Constitutional References Committee,  
Parliament House,  
Canberra, A.C.T. 2600.

Dear Sir/Madam, Senate inquiry into an Australian Republic.

Please record this objection to the above inquiry for the unimpeachable reasons.

- (a) The matter of instituting an Australian Republic was soundly defeated as recently as 1999. There is no strong public demand to alter our existing Constitutional setup.
- (b) Taxpayers money is again being wasted by those who push the Republican Agenda. Let those who want a republic finance their campaigns from their own pockets - not the taxpayers.
- (c) If the Senate insists on proceeding with this inquiry at taxpayers expense - then equal funding should be made available to those organisations which support our Constitutional Monarchy.

Yours faithfully
