Dear Sir/Madam

**Submission into the Exposure Draft of the Anti-Money  
Laundering and Counter-Terrorism Financing Bill 2005**

We welcome the opportunity to comment on the Exposure Draft of the Anti-Money Laundering and Counter Terrorist Financing Bill 2005 and enclose our submissions.

We have already commented on certain aspects of the Bill in our Submissions of 9 March 2006 to the Senate and Legal Constitutional Committee.

The current exposure period has provided us with an opportunity not only to carry out an assessment and analysis of the Bill but to consult extensively with our clients in the financial services sector, other professionals and the various industry groups.

The enclosed submissions therefore address not only issues which are of particular relevance to us as lawyers, but also those which we identify as of general importance.

Yours faithfully
