Recommendation 1

3.36 The committee recommends that proposed subsection 234A(1B) of the Bill be amended to limit the exercise of the power of a Collector of Customs to issue a written notice directing the holder of a security identification card not to enter into, or be in or on a section 234AA place, or other relevant place, to circumstances where an immediate criminal or security threat or emergency is present in the section 234AA place, or other relevant place.

Recommendation 2

3.153 The committee recommends that an independent cost benefit analysis of the Accredited Client Program be undertaken which takes into account the removal of the duty deferral mechanism from the proposed Accredited Client Program.

Recommendation 3

3.154 Subject to the preceding recommendations, the committee recommends that the Senate pass the Bill.
