RE: Parliamentary Inquiry into Australian Expatriates.

Dear Sir,

I got letter recently from Australian Embassy in Zagreb, Croatia about your Inquiry.

I will be glad to provide to you any information needed.

I myself come to Australia in 1971, left in 1998.

Single, never got married, 61 year old.

All my investment is in Australia, managed Public Trustee, Sydney.

I am holder of Australian Passport only, I vote when I get chance in Australian elections only, at Australian Embassy.

I got bored, so I left, made mistake, Croatia is worst than I thought.

My concerns is Medicare which is not accepted in Croatia, so I am forced to pay health insurance here.

Yours sincerely,
