

Dear Senate Inquiry - Shared Parental Responsibility Bill 2005

This is a my submission to the Senate Inquiry into the provisions of the Family Law Amendment (Shared Parental Responsibility) Bill 2005

I employ the Senators and Committee members to listen to this interview with two great American writers. Their radio interview explains very clearly the same path we are treading here in Australia. These Americans have brought to the fore a poignant perspective with extraordinary experience and insight. I believe every child in our country will benefit from all concerned with 50/50 shared custody hearing it's message. Below is the link to the site for listening to the broadcast.

On February 14, 2006 Both Phyllis Schlafly and Stephen Baskerville join together in a landmark interview --> "War Against The Family"
