

Dear Senate Inquiry - Shared Parental Responsibility Bill 2005

This is a my submission to the Senate Inquiry into the provisions of the Family Law Amendment (Shared Parental Responsibility) Bill 2005

See below from Dads on the Air supporting evidence CSA change would not take much, maybe one person, things are automated one person could do it in a week showing how incompetent the csa staff must be if all of them there would take two years or more to do so little work.

Thank you for reading my submission
