

Dear Senate Inquiry - Shared Parental Responsibility Bill 2005

This is a my submission to the Senate Inquiry into the provisions of the Family Law Amendment (Shared Parental Responsibility) Bill 2005

change family law

Equal Parenting Time after separation is in the best interests of children more Emphasis should be made on keeping the family unit together, as god intended. And if they cant have a dad 100% of the time the next best is 50%

Domestic Violence is perpetrated by both men and women at similar levels. and guys always end up fighting false alligations im one of them as my ex is doing everything she canto stop me from seeing our kids

Sole Custody exposes children to the greatest risk of child abuse and is detremental to the groth of the child

Thank you for reading my submission
