

Dear Senate Inquiry - Shared Parental Responsibility Bill 2005

This is a my submission to the Senate Inquiry into the provisions of the Family Law Amendment (Shared Parental Responsibility) Bill 2005

I would like to inform you that Equal time 50/50 shared parenting is the only way my son will grow up right. I need to be able to be part of his life and he needs to be part of mine.

Also I have fought many false domestic Violence charges and I believe that anyone who puts an application in must sit a lie detector test. This would once and for all prove who is right and who is wrong.

50 / 50 shared parenting is the only true way my Son will know his Father.

Thank you for reading my submission
