Dear Committee Secretary,

In reference to the inquiry into the Migration Amendment (Review Provisions) Bill 2006, the Refugee Council of Australia would like to express its support for the points raised in the submission from the Law Council of Australia (LCA) to the Department of Immigration and Multicultural Affairs (November 7, 2006). Our understanding is that this LCA submission is being taken as a submission to your inquiry.

We would welcome the opportunity for a representative of our organisation to address the committee regarding the matters raised in the LCA submission.

Yours faithfully,

Paul Power
