Questions taken on notice – Commonwealth Director of Public Prosecutions

Question 1 (proof Hansard, p. 36)

Senator LUDWIG—In the interests of time, could you and the AFP take on notice the cases currently on foot which could utilise these provisions if they were passed?

Mr G Gray—That would be a question for the DPP.

Mr Davidson—We currently have a number of CT cases on hand.

Senator LUDWIG—Could you provide that in written form?

ACTING CHAIR—Could you take it on notice, Mr Davidson?

Mr Davidson—Certainly.

Answer

There are three counter terrorism cases currently on foot in which it is proposed to call video link evidence and where the proposed provisions could potentially be used. Those cases are at different stages of advancement.
