

# **TERMS OF REFERENCE**

Access to justice, with particular reference to:

- (a) the ability of people to access legal representation;
- (b) the adequacy of legal aid;
- (c) the cost of delivering justice;
- (d) measures to reduce the length and complexity of litigation and improve efficiency;
- (e) alternative means of delivering justice;
- (f) the adequacy of funding and resource arrangements for community legal centres; and
- (g) the ability of Indigenous people to access justice.
