

## **To all the Legislators**

### **Marriage Equity Bill – Petition**

I strongly believe Marriage is between a Man and a Woman, and it is to further civilisation in the natural way to reproduce.

Marriage other than between Man and Woman, is unnatural and does not further civilisation, and may further the discussion on the Adoption Laws definition.

In an Adoption situation, we will confuse a child, when brought up by people involved in unnatural relationship.

Just because a Child has no voting right and cannot articulate concerns, Legislators – cannot pre-suppose and expose a Child to diversified unnatural and confusing ways and tantamount to ‘damaging self-esteem’ and ‘warping personality’ of Child psychologically.

We passed legislation not to smack a child physically, as it may damage the self-esteem and warp the personality.

Child, also needs, the love, affection, care and concern by biological parents - mother & father - the natural way. And child nurtured by people other than the biological parents, in an unnatural relationship, receives diminished affection.

We still yet to see an ape becoming a human in front of our eyes. Once that is confirmed, THEN we Pass Legislation to stop reproducing, and nullify Marriage Act – between Man and Woman, because humans will evolve anyway, without natural Reproductive way. Apes will carry the civilisation, innovations, with their brilliant power of reasoning & logic.

I strongly oppose Senator Sarah Hanson-Young’s Marriage Equity Bill, and uphold the Sanctity of Marriage between a Man and a Woman.
