Dear Chairman

MARRIAGE EQUALITY BILL

I have been informed by the Australian Christian Lobby that the Greens is trying to legalise homosexual marriage through a private Senator's bill. Being a Christian of Kenmore Baptist Church, as well as by belief, I would strongly believe marriage is the union of a man and a woman. I fully support the commitment strongly held by both ALP and the Liberal Party that marriage remaining the union of a man and a woman.

I strongly object to the Greens party's attempting to legalise homosexual marriage through a private Senator's bill.

Please do not pass the bill and reserve the true principle that marriage should be the union of a man and a woman.

Yours faithfully

Charles Cheng BA, GCBS, ATMA, JP (QUAL)
