

Senate Standing Committee on Legal and Constitutional Affairs  
Submission on 'Marriage Equality'

I am opposed to this amendment, and to the recognition of such 'marriages' performed overseas.

Rationale :

Marriage is a sacred union between a man and a woman

This amendment opens the way to a slippery slope situation which will undermine the structure and effective operation of families – the very foundation of a civil society/nation ,

may confuse children brought up in such a union, and ultimately harm the nation's social fabric.
