

To whom it concerns most.

I'm writing to you with concern to same sex marriages. I am 38 years old and married and am a father of 13 & 3 year old girls with another child on the way. I love them so very much and tell them every day as they do the same to me and there mummy.

"MARRIAGE IS TO BE BETWEEN A MAN AND A WOMEN."

Humanity would stop to exist if all persons turned homosexual.

Simply consider yourself, your family morals, your children, to the difference of you having two mums/dads explaining that to your friends, your children. Imagine your grand children having two grand Fathers/mothers and also having to explain themselves to others.

Sorry this is AUSTRALIA as named by Portuguese explorer 'Pedro De Quiros' translated in English,

" SOUTHLAND OF THE HOLY SPIRIT"

We have a **Biblical based constitution** and I don't believe 'same sex marriages' is what was intended within marital legislation.

Thank you for your **NO** vote to same sex marriages and having the same rights as us for their own selfish agenda.

Kind Regards
