Submission: Dear Senate Legal and Constitutional Affairs Committee,

This is my submission to your inquiry into marriage equality. I fully endorse the submission made by Australian Marriage Equality in favour of the Marriage Equality Amendment Bill 2009.

Firstly, I am a person, a respected professional and a trusted community member who comes from an Australian family, who strongly supports the Australian way of life. I pay taxes, I contribute fairly & I take my social responsibilities seriously, therefore I should be respected with equitable status and rights as other heterosexual adult couples are.
