Submission: Dear Senate Legal and Constitutional Affairs Committee,

This is my submission to your inquiry into marriage equality. I fully endorse the submission made by Australian Marriage Equality in favour of the Marriage Equality Amendment Bill 2009.

Why is this taking so damn long, I'm sick of feeling like a completely normal and acceptable person within society that is disallowed from choosing whom I want to marry based on what, to me, is an uncontrollable unchangeable desire to love and live with the same sex.
