

To the Senate Legal and Constitutional Affairs Committee

I oppose the Marriage Equality Bill 2009 because it would completely change the meaning marriage has had throughout history. Marriage is vital for raising children, who need both a mum and a dad.

It became evident to me through my own separation and raising a child that a mother and a father are vital for raising children. Please do not succumb to the immorality of the brave new world and pass this bill.

Kind regards from a concerned parent.
