**Subject:** Bob Brown's Euthanasia Bill

I am a member of the Euthanasia society of N.S.W., and wish to urge the Committee to reverse the Federal Parliament's decision to nullify the Northern Territory's Euthanasia Bill, thus giving all Australians who are terminally ill the right to decide how and when they wish to die. Palliative Care cannot always prevent the patient suffering strong pain, and the loss of personal dignity is equally important.

My name is Mrs. Marion Fisher
