

4. 4. 2008.

Committee Secretary,
Senate Legal and Constitutional Affairs
Committee.

Dear Sir,

I wish to endorse the passage of
Senator Bob. Brown's (Rights of the Terminally
Ill) Euthanasia Repeat Bill - 2008.

The right to die, to receive
assistance in dying, is a fundamental
right to self determination. Death with
dignity is the right of every person who
faces an incurable, painful, or degrading
future.

Thank you for your time,
