To: the Senate Select Committee on Mental Health

Dear Sirs,

I enclose copies of "overlapping" documents concerning a technique for evaluating and managing psychiatric services to achieve better clinical and cost-effective outcomes.

I apologise for the lateness of this submission, but the analysis which provides final and incontrovertible proof of the technique's effectiveness has only just been completed. Copies have been sent by both fax and e-mail to ensure delivery.

Please do not hesitate to contact me for further information. [REDACTED]

Your sincerely,

Ralph J. Schureck
