

CHAPTER 5

Conclusion

5.1 The Committee has examined the annual reports for 1999-2000 prepared pursuant to Part 4A of the *Aboriginal and Torres Strait Islander Commission Act 1989* and s.133 of the *Native Title Act 1993*. On its examination, the Committee finds their presentation to be satisfactory.

5.2 Nevertheless, and as has been stated in Chapter 4 of this report, the Committee is most concerned about the performance of the ILC over the past two years, and in particular the impact this may have had on beneficiaries of the ILC's activities. For that reason the Committee will continue its close examination of the ILC's activities when the ILC report for the period 2000-2001 is tabled in the Parliament.
