Parliamentary Joint Committee on
Native Title etc

Dear Sirs or all

The enclosed is my submission to you on
Native title. I send a copy to the National Native Title
Tribunal in Perth and I attach a copy of their reply

It appears that an individual is NOT entitled to object?
It appears the main beneficiaries of the system are the Courts
and all the other legal fraternity associated with Native
Title. Pastoralists and miners can object & Multi National
miners having a big say in the running of what used to be OUR
Country. I had my first Miner's Right in 1936 and
have had one most of the time since then, except in the
war years, when I enlisted in Leonora and served in Tobruk
El Alamein and in New Guinea at Lae & Finschafen
fighting to protect the Ideals of Family & Country, yes
One Country, One People, One Voice and One Destiny

The Commonwealth was formed with these Ideals and
for the Mutual Defence of the Colonies. But alas things
looked a bit sticky, so the Brisbane line was formed
most of the Politicians lived inside the Brisbane line, and
Western Australia was to be abandoned? and if you look
at Page 31 of my submission WCA is still the State to
be given away in a gesture of appeasement to the
Do Gooders?

yours etc
John J Wade
