Dear Ms Radcliffe

Inquiry into the Airports Amendment Bill 2006

Sydney Airport Corporation Limited (SACL) is an airport lessee company and the operator of Sydney Airport. The airport is Australia's international gateway and a major centre of economic activity for the economy.

The Australian Airports Association has made a comprehensive and detailed submission to the Inquiry, and I confirm that this submission is supported by SACL.

If the Committee requires any information that is particular or specific to Sydney Airport, please contact Mr Rod Gilmour, General Manager Corporate Affairs & Human Resources who will be able to assist.

Yours sincerely
