

I strongly support Senator Bartlett's introduction, currently in its first reading, of the 2005 version of the National Animal Welfare Bill. I am particularly supportive of the establishment, under the bill, of a National Animal Welfare Authority (8.1) and the prohibition of the killing of wild animals for sport or entertainment (3.b.iii).

Sincerely,
Tyler Pike and Tamsin Angus-leppan
Of 8/103 Beach St. Coogee, NSW 2034 Australia
