Federal Labor Candidate for Richmond

Community Victory on Train

Mark Latham acts to save Casino-Murwillumbah Train

Dear Resident

In great news for the North Coast, Mark Latham has announced that a Federal Labor Government, if elected, will save the Casino to Murwillumbah Train service.

Federal Labor and the NSW Government have reached an agreement to reinstate the train, with Mark Latham committing \$150 million. That's \$15 million every year for the next 10 years for our region.

This is a great victory for our community which has run a tireless campaign to save the train. Thank You!

Thank you to all those people who fought so hard, including; local councillors, State MPs, the Save Our Train Group and all the people who signed my petition.

I'd also like to thank Mark Latham for listening to our community and working with the NSW Government to help the North Coast.

This result shows what we can achieve for the North Coast if we stop the buck passing. I now call on the Federal Government to match the financial commitment so train services can be urgently resumed.

Yours sincerely

Justine Elliot
