Dear Ms Radcliffe

RE: Inquiry into the exposure drafts of the Wheat Export Marketing Bill 2008 and the Wheat Export Marketing (Repeal and Consequential Amendments) Bill 2008

In response to your email yesterday, dated April 23, 2008, ABB Grain is comfortable with an approach to access to port terminals under a code of conduct. It is accepted that a breach of the code could lead to removal of accreditation subject to usual protections against arbitrary or capricious decisions of the licensing authority.

Yours sincerely,

Michael Iwaniw
Managing Director
