Attached are my corrections to the transcript of evidence (Page 410 only).

In relation to Senator Sherry's question on the number of female members of the Coles Myer Superannuation Fund that are at surchargeable income levels (see Page 411) I provide the following information:

*The Coles Myer Superannuation Fund does not collect data on members subject to the surcharge by gender. However estimates can be provided.*

*We estimate that approximately 55% of the members of the Fund are subject to the surcharge – between 8000-9000 members. Approximately 2000-3000 of these members would be women.*

I trust that this information will be of assistance to Senator Sherry.

Please contact me on (03) 9829 3218 if you have any further queries.

Regards

**Helen Dyson**
