Dear Sue,

Attached for your records is our request forwarded to Mr Peter Williamson, Oak Breeze Pty Ltd-C/- Price Waterhouse Coopers. It specifically is requesting financial assistance under Section 229 of the Superannuation Industry (Supervision) Act-known as "SIS".

It would be appreciated if this was brought to the attention of the Committee, and copied into our other correspondence.

Once again, I can only thank you and the Committee for allowing our situation to be heard. We are indeed in a wonderful country, this however continually dims the enjoyment for us all.

Yours truly,

Val Marshall.

Attention Mr. Peter Williamson.

Re PR & VT Marshall Family Superannuation Fund.

Dear Sir,

Our Superannuation Fund is a regulated Superannuation fund and is not a self-managed fund.

We believe that by the admissions contained in previous communications sent to us and associated reports, that our Superannuation Fund has suffered a loss due to fraudulent conduct or theft.

We therefore request you as Trustee, to apply to the Minister (Treasurer) under Section 229 of the Superannuation Industry (Supervision) Act – known as "SIS" – for financial assistance to us as "investors".

Please pursue this request vigorously on our behalf.

Yours Sincerely

Peter R. Marshall
