Dear Senators,

This submission concerns dishonest, corrupt, fraudulent lawyers in Tasmania, the cover ups, fob offs re complaints against them to the Law Society of Tasmania and the activities of Piggott Wood and Baker. I say Piggott Wood and Baker should be prosecuted for their criminal activities.

Letter A - letter of complaint re Audrey Mills, Piggott Wood & (11/6/88) Baker defrauding me of \$155.72 and also a contempt of the Supreme Court of Tasmania

Letter B - Law Society's initial response (22/7/88)

Letter C - Audrey Mills response and Law Society's fob off (15/8/88) reply

I became bankrupt in 15 June 1987. I put the \$155.72 in the bankruptcy as a debt of the bankrupt estate. My claim was not even acknowledged or admitted. Piggott Wood and Baker (Mr G Kench) acted during the bankruptcy for the Official Reciever.

When the Official Reciever did nothing about my claim I again complained to the Law Society.

Letter D - letter of complaint to Law Society (7/2/96)

Letter E - Law Society's next fob off reply (15/2/96)

Letter F - letter to Audrey Mills demanding payment of \$155.72 plus interest plus copy to Law Society. No reply from either (24/11/96)

Letter G - complaint to Law Society re Mr G Kench, Piggott Wood and Baker. Not enclosed - letter currently misplaced but contents adequately covered in subsequent letters which are enclosed (1/9/97)

Letter H - letter of complaint re Audrey Mills, Piggott Wood
(6/9/97) & Baker

Letter I - Law Society's fob off reply
(24/9/97)

Letter J - letter of complaint to Law Society re various
(15/11/98) solicitors

- (a) Alex Graeme-Evans
- (b) Law Society standard form lease agreement
- (c) Peter Wood, Piggott Wood and Baker
- (d) John Green - he is the best filer of false affidavits in Australia
- (e) Roger Baker
- (f) Grant Kench, Andrew Douglas and Will Edwards
- (g) Robert Young

I RECIEVED NO REPLY TO THIS LETTER OF COMPLAINT

The Whitford matter which is referred to in the letter of complaint was dismissed in the Federal Court by Mr Peter Wood of Piggott Wood and Baker knowingly and deliberately misleading the Court. A pr.of of debt was admitted in bankruptcy for Whitford of about \$780, which proof had been rejected in a previous bankruptcy. When I challenged the admission it was immediately rejected and then Mr Peter Wood told the Court the debt was payable from the surplus of the previous bankruptcy. But the previous bankruptcy was annulled "All debts paid in full and surplus returned to bankrupt". So there was no surplus and provisions in the Bankruptcy Act including S 153(5) and 154(1)(a) debarring previously rejected proofs of debt being admitted again.

The Federal Court application re Piggott Wood and Baker has'nt yet been filed because knocking North Forest Products off my fraudulently sold wholly protected money land has greater priority as well as hammering Mr Roger Baker's client, Phillip John Griggs, who used the interim restraint order to remove his property from the bankrupt estate.

I have a meeting with Rio Tinto, who own North Forest Products Ltd and have agreed to sell it to Gunns Ltd, at 11 am tomorrow in Hobart.

Letter K - letter of Complaint re Jovanovic & Associates and
(16/6/99) Grant Kench, Piggott Wood and Baker

I RECIEVER NO REPLY TO THIS LETTER OF COMPLAINT

Letter L - letter of complaint to Mr Phillip L Jackson, presi-
(8/5/01) dent Law Society

No reply as yet but he is probably considering what cover up answers he can give to your inquiry on Friday.

Letter M - further letter to Mr Phillip Jackson, president
(11/5/01) Law Society

Only just sent.

I would like to appear before your inquiry on Friday 18 May
2001 at Hadleys Hotel. I can give you a very good run down
on Piggott Wood and Baker especially Audrey Mills, Grant Kench
and Peter Wood who has done a runner to the mainland.

Piggott Wood and Baker & the Estate E A B Wright

Trustees Estate E A B Wright (John Turner and Bruce Crawford
- partners Piggott Wood and Baker)

Solicitor acting - Grant Kench - partner Piggott Wood and
Baker

Lessee - James G Turner

Lease rentals all paid with personal injury compensation money
- wholly protected property in bankruptcy

When they tried to illegally evict me - Audrey Mills acting
- partner Piggott Wood and Baker (at the same time she was
defrauding me of the \$155.72)

James G Turner bankrupt 15/6/87 - Grant Kench, partner Piggott
Wood and Baker acting for Official Receiver

I gave Audrey Mills a bath over the illegal eviction (after
the event where PWB combined with Roberts Ltd to illegally
sell all my livestock and cause the bankruptcy) and PWB were
left with a huge bill for legal costs of about \$9,000 and
I was give leave to defend. Once I began to defend PWB did
nothing to advance the action, but instead filed a proof of
debt in my bankruptcy claiming all their legal costs

Proof of debt filed by Peter Wood, PWD, where Grant Kench,
PWB, who had carriage of the matter, was representing the
Official Receiver

Wright proof of debt wrongfully admitted for about \$4,000
including PWB legal costs where the last Supreme Court proceed-
ing says "Defendant (J G Turner) leave to defend and all costs
to date reserved".

James G Turner bankrupt again

Wrongly admitted Wright claim in statement of affairs

Grant Kench, PWD, again acting for Official Receiver, Audrey
Mills and Peter Wood appearing in Court

The very first proof of debt filed in first bankruptcy was
Stockwell P/L for cattle bought off them which Roberts Ltd

03 62951500

and Piggott Wood and Baker unlawfully sold (The Federal Court has decided/ruled that) and surrendered (to the Official Receiver) are two unregistered mortgages (for the same debt) and two titles to my land.

Stockwell is now an ordinary creditor demanding payment

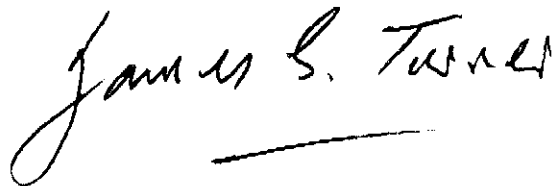

Stockwell debt not admitted or paid, bankruptcy discharged and annulled

Stockwell debt expunged, dead and buried, unregistered mortgages defunct, cactus

Kench and Andrew Douglas put the defunct mortgages on my wholly protected in bankruptcy land

Wholly protected money land sold using a void Federal Court order (obtained by Peter Wood, void because S 58(2) of Bankruptcy Act not complied with) to North Forest Products Ltd and the fraudulent, defunct mortgage paid out.

The only proper recourse Stockwell P/L had was to sue the Official Receiver in negligence.
