Dear Ms Morton

SENATE ENQUIRY INTO SOLICITORS' MORTGAGE SCHEMES IN TASMANIA

I acknowledge receipt of your fax dated 16th May 2001 which refers to submission number 139 made by Mrs J Holland.

Having discussed the contents of this submission with Council's General Manager, Mr R McClean, we do not believe that there is any matter of relevance specifically to the Enquiry that we could or would wish to contribute. However, we are aware that Mrs Holland has been pursuing her allegations through a plethora of jurisdictions.

In declining to provide a response, we wish to make it clear that this should not be interpreted to indicate agreement or otherwise with any of the claims being made.

Yours sincerely

BRIAN STEWART
MANAGER - DEVELOPMENT SERVICES
