The Secretary
Senate Select Cttee on Superannuation
and Financial Services
Parliament House
Canberra ACT 2600

Dear Sir/Madam

I wish to make a submission to the Senate Select
Committee on Superannuation and Financial Services, in
particular relating to:

Part (a) the method of indexation used by the trustees to
preserve the real value of fund members' preserved
unfunded component of their employer benefit.

I submit that the method used should protect the value of
public sector retirees' superannuation entitlements and
give equity in treatment compared to other retirees and
pensioners.

I believe that the value of Superannuants' entitlements
is not keeping pace with other retirees' entitlements.

Yours sincerely

Claire C. Southwell
